Letter of Warranty – Aurastone Standard

This Letter of Warranty (hereinafter, the 'Warranty') shall only be fully valid when the consumer has registered the project within 1 month of the installation of the product, as indicated in the relevant section.

The consumer shall send the defective product to AURASTONE PTE LTD. (hereinafter, '**AURASTONE**'). In order to be effective, this Warranty must be registered online on the website www.aurastone.com.sg.

AURASTONE reserves the right not to offer the warranty service free of charge if the requirements set out in the previous paragraph are not met, or if the information provided by the consumer is false, incomplete or illegible.

This Warranty is intended for non-professional end users and shall be considered applicable for residential use, such as any building or facility for private accommodation, whether it is a single-family or multi-family residence.

SPECIFIC WARRANTY INFORMATION

This Warranty covers quartz surfaces registered under the AURASTONE brand name, as well as sintered stone surfaces registered under the MYSA brand name, designed for products such as worktops, cladding, walls and floors, among others (hereinafter, the 'Surfaces').

Likewise, this Warranty also covers Surfaces, when they have undergone any variation at the customer's request and it has been carried out at AURASTONE's facilities. In general, this Warranty covers all those products that cannot be referred to as End Products fabricated and installed by AURASTONE as defined in the relevant section of this Warranty.

General Principles that the Warranty covers:

- AURASTONE undertakes to replace or repair defective Surfaces under the terms and conditions set forth herein, with the same characteristics (colour, thickness, etc.) as those of the product purchased by the customer.
- This Warranty covers products intended for the uses defined within the scope thereof, and maintained according to the care and maintenance instructions for Surfaces, as set out in the Care and Maintenance manual of each brand. It is important that the final choice of colour and finish be made before completing the purchase, as changes made later will not be covered under this Warranty.
- It also covers surface defects not found in material quality controls, such as material structural and functional deviations from the normal, resulting from the production process.

General Principles that the Warranty does not cover:

- Intervention by third parties: any damage caused directly or indirectly by any action, work or any other intervention carried out by third parties outside AURASTONE, such as problems caused by incorrect finishing/preparation of the product, modifications to the Surfaces made by third parties, improper installation methods or any other alteration or manipulation of the original product by AURASTONE, such as colour variations, thermal shock, impact damage, misuse or incorrect chemical treatment, performed by third parties outside AURASTONE.
- Unforeseen circumstances, conditions on the site where the Surfaces are installed or handled, architectural and engineering design, structural movement, acts of vandalism, accidents, natural disasters, damage caused by interaction with other products or any other cause beyond the control of AURASTONE.
- Damage resulting from improper use, including, but not limited to: (i) the use of the product for purposes other than those for which it is intended; (ii) use of the product in a manner that does not comply with applicable technical or safety standards; or (iii) failure to follow the user and maintenance manual.
- Products that have not been paid for in full.
- Products fabricated and/or installed by third parties.
- This Warranty does not cover Surfaces that do not meet the customer's requirements, in their personal opinion, after delivery, in terms of colour, veining performance and appearance (for those surfaces that have such a feature).

AURASTONE QUARTZ 15-YEAR WARRANTY:

AURASTONE guarantees the registered owner of the installed Aurastone Quartz by AURASTONE products against manufacturing defects for a period of **FIFTEEN (15) YEARS**.

What the Warranty covers:

- Surface damage, such as worktops, cladding, walls and floors permanently installed inside a dwelling (or property intended for use other than a residence).

What the Warranty does not cover:

- Exposure of the product on the exterior of buildings.
- Products that have been treated or covered with unapproved chemicals or coatings.
- Cracks in the surface after installation. Cracks in the end product shall not be considered an indication of defective material. The main causes of cracking are improper movement of the material, direct application of heat to the surface, excessive weight placed on the surface or the result of bumping the material after installation.
- Direct application of heat to the surface.
- Excessive weight placed on the surface.
- Chipping, as it is not due to defective material, but is the result of scraping and bumping objects against the edges of the surface.
- Variations in colour, shade, particle structure or gloss level of the material resulting from natural changes over time in the various components of the product.
- The definition of manufacturing defects covered under this Warranty does not include the durability of features accompanying to the actual functionality of the product during its period of validity.
- Any problems or damage caused by exposure of the product to heavy and continuous use over long periods of time, including but not limited to discolouration, loss and decline in performance and aesthetic characteristics, and warping of floors. Problems, damage or nuisance resulting from the generation of static electricity or the use of products designed to eliminate or reduce its effects.

MYSA 15-YEAR WARRANTY:

AURASTONE guarantees the registered owner of the installed MYSA by AURASTONE products against manufacturing defects for a period of **FIFTEEN (15) YEARS**.

What the Warranty covers:

- Surface damage, such as worktops, cladding, walls and floors permanently installed inside a dwelling (or property intended for use other than a residence).
- Cracking caused by exposure to extreme hot and cold temperatures, as well as thermal shock cracking.
- Stains due to common food, beverages and household products, provided that customers have followed the proper care and maintenance guidelines.
- Fading due to direct exposure to ultraviolet (UV) radiation, both inside and outside buildings.

What the Warranty does not cover:

- Cracking and chipping due to the impact of heavy objects and the movement, displacement or positioning of the supporting structure under the surface of the worktop or flooring (kitchen units, floors, foundations, etc.) are not covered under this Warranty.
- Products that have been treated or covered with unapproved chemicals or coatings.
- Products exposed to abnormal use or conditions, or misuse (chipping, cracking, impact damage or breakage due to customer misuse).
- MYSA Surfaces are designed to have a natural, non-uniform appearance; as a result, this Limited Warranty does not cover variations in colour, shade, particle structure or gloss level.
- This Warranty does not cover wear marks on MYSA products, including, but not limited to, metal marks, fingerprints or smudges and other similar wear indicators caused by the use of utensils.
- Some MYSA colours may only be suitable for use in a specific application. The customer will be informed of the colours which AURASTONE recommends to use only for a specific application, and should not rely on any other oral or written statements to the contrary. By purchasing these colours in particular, the customer agrees to indemnify and exempt AURASTONE from all rights and claims under the Warranty if such colours are used or applied contrary to AURASTONE recommendations.
